Dear Principal:

It is my pleasure to congratulate you on being recognized for greatest gains during the 2007 to 2008 school year. This prestigious accomplishment is no doubt due to you and your fellow teachers' dedication and commitment to educating the children of Georgia.

Educating Georgia's children has always been a top priority of mine. I believe that a child's education is the gateway to unlimited opportunities. You share my desire to bring promise and hope to lives of future generations and I thank you for the positive impact you have made in your community. Georgia is a better place when its citizens bring out the best in themselves, and we are honored to have such an outstanding group of educators in our state.

I commend you for this achievement and hope you will enjoy its rewards for years to come. Again, thank you for setting such a wonderful example.

Very Sincerely,

Casey Cagle  
Lt. Governor of Georgia
